Dear Veterinarian,

The CMDA encourages their breeders to strive for responsible breeding practices. For this reason, the CMDA only registers puppies from approved breeding dogs. We appreciate partnering with veterinarians to assist us in this endeavor to only encourage breeding of desirable genetics. We thank you for your time in evaluating this dog.

Sincerely,
The CMDA

CMDA Breeder Dog Exam

Registered Owner's Name _____

Registered Owner's Address _____

Registered Owner's Phone# _____ Dog's Name _____

Dog's Breed _____ Dog's DOB (if known) _____
